Butwal, Lumbini Province - 32900, Nepal

OBJECTIVE

Electronics, Communication and Information Engineering graduate with 2+ years of experience in UI/UX, front-end development, and creative design. Focused on human-centered and inclusive design within HCI.

RESEARCH INTERESTS

Human Computer Interaction, Educational Technology, Youth-Centered Learning, Inclusive and Community-Based Design, AR/VR for Interactive Learning

EXPERIENCE

- Dirt2Dollars**  May 2025 - Present
WordPress Developer, Full-Time, Remote Miami, United States
 - I develop websites using WordPress with a strong focus on clean UI and intuitive UX to ensure a seamless user experience. I also design custom logos that align with each brand's visual identity, helping create a cohesive and professional digital presence. My work blends functionality with aesthetics to deliver websites that are both user-friendly and visually engaging.
- illionSo Technologies Pvt. Ltd.**  Feb 2025 - April 2025
UI/UX Designer Internship, Remote Kathmandu
 - I worked on UI design and prototyping using Figma, designed icons in Illustrator, and used Miro for brainstorming ideas and mapping user journeys.
- Pokhara Theatre**  Aug 2023 - Mar 2025
IT Specialist, Part-time, Remote Pokhara
 - As an IT Specialist at Pokhara Theatre, I managed the theatre's website and created captivating graphics for various dramas. I ensured an engaging online presence for the theatre, enhancing its digital footprint and enriching the audience's experience.
- Damsole Technologies**  Jun 2023 - Feb 2024
Freelance Graphics Designer Remote
 - I created logos, brochures, business cards, letterheads, and more for various companies.

EDUCATION

- IOE-Pashchimanchal Campus, Tribhuvan University** May 2021 - May 2025
BE in Electronics, Communication and Information Engineering Pokhara, Nepal
 - Percentage: 83.275%
- Kalika Manavgyan Secondary School** Mar 2021
Technical Science, Computer Engineering Butwal, Nepal
 - CGPA: 3.76/4
- Kalika Manavgyan Secondary School** Jul 2018
Secondary Education Butwal, Nepal
 - CGPA: 3.92/4

PROJECTS

- Flight Booking Website Design** Mar 2025
Tools: Figma 
 - Designed a user-friendly flight booking website that supports one-way, round-trip, and multi-city bookings. The design also includes sections for adventure travel, eco-treks, and holiday packages, offering users a complete travel planning experience.
- SubhaYatra - A Tourist Companion App** Dec 2023
Tools: ReactJs, TailwindCSS, DaisyUI, Leaflet, Open Source Maps API 
 - Developed a travel companion app to enhance tourist experiences by offering features like upcoming event listings, local food guides with maps, real-time voice and image translation, local product promotion, scam awareness tips, and emergency contact access.
- University Management System:** Aug 2023
Tools: ReactJs, Django, SQLite 
 - Developed as a practical project for the course Database Management System, this application implements full CRUD (Create, Read, Update, Delete) operations. It manages key university data.

SKILLS

- **Programming Languages:** C, C++, JavaScript, HTML, CSS, Python
- **Libraries and Frameworks:** ReactJs, TailwindCSS
- **Tools and Platforms:** WordPress, Adobe Illustrator, Figma, LaTeX, Git, GitHub

HONORS, AWARDS & GRANTS

- **Research Grant** Aug 2024
Research Management Cell, IOE-Pashchimanchal Campus, TU
 - Awarded grant to conduct research on title "Localization and Inclusive Design: Creating Digital Experiences for Nepal's Diverse Cultural Landscape" which was focused on designing localized and inclusive digital experiences that reflect Nepal's diverse cultural landscape.
- **BIC Hackathon V3.0 - Winner** Dec 20, 2023
Boston International College
 - Developed SubhaYatra, a product to assist tourists in exploring destinations, offering historical insights, local events, and showcasing local products. The platform featured a language translation function aimed at breaking language barriers for travelers.
- **Presentation Competition - Winner** Jul 22, 2022
Sudur Pashchim Samparka Samaj, IOE-Pashchimanchal Campus, TU
 - Won a presentation competition by highlighting key tourist destinations in my hometown and their impact on Nepal's economy.
- **NESS Digital Poster Design Competition - Winner** Feb 18, 2022
Nepal Engineering Students' Society, IOE-Pashchimanchal Campus, TU
 - Created a poster on the theme 'Covid-19 Awareness and Positivity,' securing the first position by effectively conveying messages of awareness and positivity during the pandemic.

VOLUNTEER EXPERIENCE

- **Student Volunteer** Dec 2024 - Jul 2025
Nepal Cloud Professionals
 - Led the digital presence by designing event graphics for a community shaping the future of cloud computing in Nepal, enhancing outreach and engagement.
- **Microsoft Learn Student Ambassador - Beta MLSA** Jul 2023 - Jun 2025
Microsoft
 - Led sessions on Git & GitHub, contributing to peer learning and fostering a collaborative tech community.
- **Executive Committee Member** Mar 2022 - Feb 2025
Innovative Computer Engineering Students' Society, IOE-Pashchimanchal Campus, TU
 - Contributed to the design sector of the club and mentored juniors in Graphics and Web Design through a month-long mentorship program, conducted annually for the past 3 years. Also, co-ordinated a regional level event "TechParva 2.0".
